Informative Digest/Policy Statement Overview

At its February 24, 2011 meeting, the Commission approved proposed amendments to Commission Regulation 1081. The proposed changes included:

- Increasing the hours of the Campus Law Enforcement Course from 32 to 40 – The hours in various topical areas were adjusted to allow for more instruction in the areas of Laws and Liability/Mandated Reporting Requirements, Tactical Awareness (including new material on response to active shooters), and Standardized Emergency Management/Incident Command Systems. All changes to curriculum begin with recommendations from law enforcement practitioners or in some cases via legislative mandates. POST then facilitates meetings attended by curriculum advisors and subject matter resources who provide recommended changes to existing curriculum. The completed work of all committees is presented to the POST Commission for final review and adoption. Upon adoption of the proposed amendments, academics and course presenters will be required to teach and test to the updated curriculum. The proposed effective date is January 1, 2012.
