Bulletin: No. 2006-16

Subject: Errata Notice for POST Bulletins 2006-14 and 2006-15

This is to state that October 16, 2006, is the correct deadline for receiving written comments regarding the regulatory proposals described in each bulletin; the bulletin page for each proposal misstated the deadline. The respective "Notice of Proposed Regulatory Action" that accompanies each bulletin contains the correct deadline.

The notice attached to Bulletin 2006-14 describes proposed changes to the *Training and Testing Specifications for Peace Officer Basic Courses* document, which basic academies use for teaching POST-required curriculum.

The notice attached to Bulletin 2006-15 describes proposed changes for converting the paper-based course certification process to an Electronic Course Certification Process.
