1070. Minimum Training Standards for Instructors of POST-Certified Specialized Subjects.

[(a) continued ***]

(b) **Specialized Subjects and Training Course Requirement.** The specialized subjects listed in the left column may be the subject of a stand-alone course or a specialized subject taught within a larger course.

To satisfy the training course requirement, a POST-certified course must be a foundational-type instructor course and must meet the minimum content requirements specified in Regulation 1082 [unless exempted by subsection 1082(c)]. For example, an “advanced” or “update” course will not satisfy the requirement. Generally, the POST-certified course must be the same title as the instructor course title listed in the “training Course” column.

Minimum content requirements for the training courses listed in the right column below are specified in Regulation 1082.
