NOTICE OF APPROVAL OF REGULATORY
ACTION

Government Code Section 11349.3

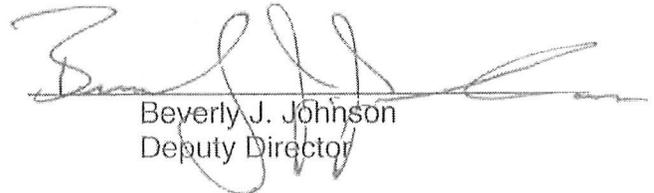

OAL Matter Number: 2016-0112-04

OAL Matter Type: Regular (S)

This rulemaking by the Commission on Peace Officer Standards and Training (POST) amends sections in Title 11 of the California Code of Regulations regarding basic courses test management and security protocols. In 2010, POST established a Basic Course Test Task Force Committee. This rulemaking is the result of that Committee's most recent review of POST testing security procedures. The changes will help to ensure the integrity of entry-level law enforcement training and testing.

OAL approves this regulatory action pursuant to section 11349.3 of the Government Code. This regulatory action becomes effective on 4/1/2016.

Procedure D-1, Basic Training

[1-1 through 1-3(a)(3) continued***]

(4) Learning Activity

A learning activity is a facilitated, performance-based component of instruction. Learning activities are student-focused and require the learner to be actively involved in structured work designed to enhance the acquisition of knowledge, skills, or competencies. The use of learning activities is consistent with principles of adult learning. Learning activities are integrated into the delivery of instruction as a means of reinforcing taught concepts, introducing relevant topics, or to enhance student retention necessary to achieve competence as a peace officer. Students participating in a learning activity may be coached or provided feedback, ~~but unlike tests, learning activities are not graded on a pass/fail basis.~~

[(5) through (7)(B) continued***]

(8) Test

An evaluation of the extent to which students have achieved one or more learning objectives. The required tests are specified in the Training and Testing Specifications for Peace Officer Basic Courses. Any practice/preparation for exercise and scenario tests must be conducted using the same conditions as required for testing. These tests are:

~~(A) POST-Constructed Pre-Course Test~~

~~A POST-constructed written test used to assess a student's cognitive abilities and law enforcement background. The test serves as a basis to evaluate instructional effectiveness as a student progresses through the course. The test may be administered in either a printed or electronic format.~~

~~(BA) POST-Constructed Knowledge Test~~

~~A POST-constructed written test that measures acquisition of knowledge required to achieve one or more learning objectives in a single learning domain. The test may be administered in either a printed or electronic format.~~

~~(CB) POST-Constructed Comprehensive Test~~

~~A POST-constructed written test that measures acquisition of knowledge in multiple learning domains. The test may be administered in either a printed or electronic format. There are two types of comprehensive tests:~~

~~1. POST-Constructed Mid-Course Proficiency Test~~

~~A test that measures the knowledge attained in the learning domains taught midway through the Regular Basic Course-standard format.~~

~~2. POST-Constructed End-of-Course Proficiency Test~~

~~A test that measures the knowledge attained in the learning domains taught in the Regular Basic Course.~~

~~(DC) Scenario Test~~

~~A job-simulation test that measures acquisition of the competencies required to achieve one or more learning objectives.~~

~~(ED) Work Sample Test Battery (WSTB)~~

~~A POST-developed test of physical abilities as specified in the Work Sample Test Battery Proctor Manual.~~

~~(FE) Exercise Test~~

~~Any test other than a POST-constructed knowledge test, POST-constructed comprehensive test, scenario test, report writing test, or work sample test battery that measures the acquisition of knowledge skills and/or the competencies required to achieve one or more learning objectives.~~

~~(GF) Report Writing Test. A test that requires demonstration of the knowledge and skills and/or competencies necessary when preparing an investigative report.~~

Report on an Amendment of the Basic Courses Test Management and Security Protocols 2014
Regulations 1005, 1007, 1008, 1052 and Procedures D-1 and D-10

(HG) Physical Skills Pilot Tests

In cooperation with academies, POST conducts pilot testing of proposed or modified exercise tests and evaluation instruments for research purposes. This may include exercise testing for arrest and control, firearms and chemical agents, vehicle operations, Work Sample Test Battery, pre-academy physical fitness, or other physical skills.

[(9) through (d)(1)(E) continued***]

(2) Testing Requirements

The tests listed below are graded on a pass/fail basis unless specified otherwise. Academies presenting the RBC-standard format shall test all students as specified in the Training and Testing Specifications for Peace Officer Basic Courses. For the learning domain(s) being assessed in a particular test, refer to the "Minimum Content and Hourly Requirements" page for the RBC-standard format in the Training and Testing Specifications for Peace Officer Basic Courses. The RBC-standard format includes the following tests:

~~(A) POST-Constructed Pre-Course Test~~

~~This test is not graded.~~

(BA) POST-Constructed Knowledge Tests

The minimum passing scores are established by POST.

Only individuals who have completed POST-provided proctor training may administer these tests.

(GB) POST-Constructed Comprehensive Tests

The minimum passing scores are established by POST.

1. POST-Constructed Mid-Course Proficiency Test
2. POST-Constructed End-of-Course Proficiency Test

Only individuals who have completed POST-provided proctor training may administer these tests.

(DC) Exercise, Scenario, and Report Writing Tests

1. Proficiency

Academies shall require each student to demonstrate proficiency in the competencies required by each scenario test, report writing test, and/or exercise test. Each student must demonstrate a pattern of overall proficiency in each competency required by these tests. Proficiency means the student performed at a level that demonstrated acceptable preparation for entry into a field training program. The determination of proficiency shall be made by the academy.

(ED) Administrative Test Review

A presenter's administrative review of any POST-constructed test for the purpose of assessing validity and accuracy. A test review shall only be conducted after the block of instruction is complete and the written test has been administered.

(FE) Learning Objective Review

Following a written test administration, the presenter shall conduct a review for all students. The review is proctored, conducted and limited to identifying learning objectives in a manner consistent with POST test security protocols. During this review, students are allowed to record **only** the failed learning objectives. A learning objective review is not remedial training.

(GE) Work Sample Test Battery Retests

1. Test Administration

At the conclusion of the POST Basic Academy Physical Conditioning Program, academies shall require each student to complete the POST-developed WSTB or a POST-approved alternative physical ability test, as described in the Work Sample Test Battery Proctor Manual.

2. Alternative Physical Ability Tests

The use of alternative tests to the POST-developed Work Sample Test Battery is subject to approval by POST. Academies seeking POST approval to use alternative tests shall present evidence that the alternative tests were developed in accordance with recognized professional standards and that the alternative tests are equivalent to the POST-developed tests with respect to validity and reliability. A description of the method(s) used to establish the proposed alternative test's minimum passing score is also required.

Regulations 1005, 1007, 1008, 1052 and Procedures D-1 and D-10

(HG) Retests

Academies shall provide the following to students who fail a required test on the first attempt:

~~1. Written, Scenario, and Report Writing Tests~~

- ~~a. An opportunity to review their test results in a manner that does not compromise test security.~~
- ~~b. A reasonable amount of time to prepare for a retest, as determined by the academy.~~
- ~~c. An opportunity to be retested with an alternate form of the same test. If the student fails the second test, the student fails the course.~~

~~2. Exercise Tests and WSTB~~

- ~~a. An opportunity to review their test results.~~
- ~~b. A reasonable amount of time, as determined by the academy, to prepare for a retest.~~
- ~~c. An opportunity to be retested on the failed test. If the student fails the second test, the student fails the course.~~

Academies shall provide each student who fails a required initial test an opportunity to retest.

1. Written, Scenario, and Report Writing Tests

- a. Students shall be retested using an alternate form of the test.
- b. If the student fails the retest, the student fails the course.

2. Exercise Tests and WSTB

- a. Students shall be retested on the failed test.
- b. If the student fails the retest, the student fails the course.

(IH) Physical Skills Pilot Testing

Academies shall administer a POST-developed physical skills test for research purposes.

[(3) through (e)(3) continued***]

(A) POST-Constructed Knowledge Tests

The minimum passing scores are established by POST.

Only individuals who have completed POST-provided proctor training may administer these tests.

The minimum passing scores are established by POST.

1. POST-Constructed End-of-Course Proficiency Tests

Only individuals who have completed POST-provided proctor training may administer these tests.

[(C) through (I) continued***]

(J) Retests

Academies/presenters shall provide the following to students who fail a required test on the first attempt:

1. Written and Scenario Tests

- a. An opportunity to review their test results in a manner that does not compromise test security.
- b. A reasonable amount of time to prepare for a retest, as determined by the academy/presenter.
- c. An opportunity to be retested with an alternate form of the same test. If the student fails the second test, the student fails the course.

2. Exercise Test and WSTB

- a. An opportunity to review their test results.
- b. A reasonable amount of time, as determined by the academy/presenter, to prepare for a retest.
- c. An opportunity to be retested on the failed test. If the student fails the second test, the student fails the course.

Academies/presenters shall provide each student who fails a required initial test an opportunity to retest.

1. Written, Scenario, and Report Writing Tests

- a. Students shall be retested using an alternate form of the test.
- b. If the student fails the retest, the student fails the course.

2. Exercise Tests and WSTB

- a. Students shall be retested on the failed test.
- b. If the student fails the retest, the student fails the course.

(A) POST-Constructed PC-832-Arrest-Written-Comprehensive Test

1-Testing

~~This test shall be administered immediately following the conclusion of instruction for the Arrest component. Only individuals who have received completed POST-approved/provided proctor training may administer and score this test. The minimum passing score is established by POST.~~

(B) Administrative Test Review

A presenter's administrative review of any POST-constructed test for the purpose of assessing validity and accuracy. A test review shall only be conducted **after** the block of instruction is complete and the written test has been administered.

(C) Exercise Tests

1-PC-832-Arrest-Methods-Skills-Test

a-Assessment

~~Presenters shall require students to demonstrate an understanding and application of the tasks required by the skills test. Performance shall be evaluated and documented using the criteria specified on the PC-832-Arrest-Methods-Skills Examination forms (PC-832-Arrest-Methods-Competency-Test Forms).~~

b-Test Administration

~~This test must be administered and scored by POST or its agents. An Agent shall be an individual who is a certified defensive tactics instructor and who has completed instruction in PC-832-Arrest-Methods-Skills-Test administration.~~

~~2. PC-832 Firearms Skills Test~~

~~a. Proficiency~~

~~Presenters shall require students to demonstrate their proficiency in performing the tasks required by the skills test. Proficiency means that the student achieved a passing score established by POST.~~

~~b. Test Administration~~

~~This test must be administered and scored by POST or its agents. An agent shall be an individual who is a certified firearms instructor and who has completed instruction in PC-832 Firearms Skills Test administration.~~

1. Proficiency

Presenters shall require each student to demonstrate proficiency in the competencies required by each exercise test. Each student must demonstrate a pattern of overall proficiency in each competency required by these tests. Proficiency means the student performed at a level acceptable to the presenter.

2. Test Administration

These tests must be administered and scored by an individual who has completed POST provided proctor training. In addition, for the Arrest Methods test, the proctor must also be a certified defensive tactics/arrest and control instructor and for the Firearms test the proctor must be a certified firearms instructor.

(D) Retests

Presenters shall provide each student who fails a required initial test an opportunity to retest.

1. POST-Constructed PC-832 Arrest-Written-Comprehensive Test

Presenters shall provide students who fail this test on the first attempt:

a. An opportunity to review their test results in a manner that does not compromise test security;

b. A reasonable amount of time, as determined by the presenter, to prepare for a retest. The retest must occur within 90 days of the initial test;

~~2. PC 832 Arrest Methods Skills Test~~

~~Presenters shall provide students who fail this arrest skills test on the first attempt:~~

~~a. An opportunity to be retested on the failed portion(s). If the student fails the second test, the student fails the Arrest component and shall be required to repeat the entire Arrest component.~~

~~3. PC 832 Firearms Skills Test~~

~~Presenters shall provide students who fail this skills test on the first attempt:~~

~~a. An opportunity to retest. If the student fails the second test, the student fails the Firearms component and shall be required to repeat the entire Firearms component.~~

~~a. Students shall be retested using an alternate form of the same test.~~

~~b. If the student fails the retest, the student fails the course.~~

~~c. The retest must occur within 90 days of the initial test.~~

~~2. Exercise Tests~~

~~a. Students shall be retested on the failed test.~~

~~b. If the student fails the retest, the student fails the course.~~

~~(E) Alternative Test~~

~~The use of alternative tests is subject to approval by POST. Presenters seeking to use an alternative test shall submit the following to POST:~~

~~1. A copy of the proposed alternative test.~~

~~2. Specifications for the alternative test including a list showing the specific PC 832 learning objectives assessed by each examination item.~~

Arrest Component - 40 hours

Firearms Component - 24 hours

Course Total - 64 hours

Procedure D-10, Requalification Course

[10-1 through 10-2(a)(3) continued***]

(4) Learning Activity

A learning activity is a facilitated, performance-based component of instruction. Learning activities are student-focused, and require the learner to be actively involved in structured work designed to enhance the acquisition of knowledge, skills, or competencies. The use of learning activities is consistent with principles of adult learning. Learning activities are integrated into the delivery of instruction as a means of reinforcing taught concepts, introducing relevant topics, or to enhance student retention necessary to achieve competence as a peace officer. Students participating in a learning activity may be coached or provided feedback, but unlike tests, learning activities are not graded on a pass/fail basis.
